

PENN WYNNE CIVIC ASSOCIATION

Dear Penn Wynne Neighbors,

It's been so nice getting to know all of you as I start my term as president of the Penn Wynne Civic Association (PWCA). We're a tight-knit neighborhood, something I see over and over at the events we host. It's this vibe that makes Penn Wynne a great place to live.

Our annual events are listed on the right side of this letter. We're back to fully hosting in-person events, with the exception of our monthly meetings, which are occasionally hybrid and online. We hope that we get the opportunity to meet all of you at an upcoming event, especially those of you who are new to the neighborhood. Please check www.pwcivic.org for more details on these events.

Did you catch us at the Friends of Wynnewood Valley Park's Earth Day celebration? I hope to see you around with the latest in PWCA swag, a tote bag designed by neighbor Paul Downie. We hope to host two summer concerts in the new pavilion at Wynnewood Valley Park. And let's not forget the Independence Day Fest - a carnival and parade - that we wouldn't be able to pull off without the neighborhood support we've gotten over the years. As always, we'll end at Penn Wynne Park, where the carnival takes place. Wristbands for children's activities are \$10 each, but you'll get 2 wristbands included with your paid membership for 2023.

Another purpose of the PWCA is to advocate for the interests of all community members on issues like pedestrian safety, green space preservation, zoning issues, controlling stormwater runoff, and traffic safety. We're always looking for input on what issues are affecting this neighborhood - please don't hesitate to reach out.

But how? The best way to support the work of the PWCA is by becoming a member household or member organization. Please use the adjacent QR code to learn more about the Penn Wynne Civic Association and to become a PWCA membership household. And come to a meeting - we're happy to have you join us.

Sincerely,

Anne Leavitt-Gruberger - President, PWCA 2023
